

# VISITOR REQUIREMENTS

## *Project Visitor Waiver & Agreement*

In consideration for admitting the undersigned [Visitor] onto the property of Bayley Construction at

\_\_\_\_\_ Project, the Visitor hereby:

1. Waives all liability of Bayley, the partners, their servants, agents, and assigns, for any and all apparent or unapparent hazards, known or unknown, seen or unseen, marked or unmarked while on the jobsite.
2. Agrees to defend, indemnify and save Bayley, the partners, their servants, agents, and assigns, harmless from:
  - a. Any and all claims, damages, liabilities, or expenses for injury or death to either themselves, or their agents, servants and employees,
  - b. For damages to or loss of property and any consequential losses alleged to have been caused by or contributed to, arising in whole or in part out of or in any manner connected with the presence of the undersigned on said premises.
  - c. Any and all claims, damages, liabilities, or expenses for injury or death; and for damages to or loss of property and any consequential losses alleged to have been caused as a result of the operation, maintenance, or use, including the loading and unloading, entering in to or alighting from any equipment owned/leased/rented by Bayley. This includes, but not limited to: motor vehicles, material handling equipment, aerial lifts, scaffolds, tools, and ladders.

The undersigned agrees that this waiver and save harmless agreement shall be binding upon undersigned's heirs and estate including any personal representative(s).

The above applies whether or not such claims, damages, liabilities, or expenses are caused in part by any concurrent negligence of Bayley.

The undersigned agrees and acknowledges that Bayley:

1. Has advised that the project requires "hard hats", "safety glasses" and "Safety Vests" be worn at all times
2. Has provided the undersigned with a hard hat, safety glasses, and safety vest which undersigned agrees to wear at all times while present on the project.

Undersigned further acknowledges that the project area is a dangerous one, and that the undersigned has independently and willingly entered the project with a full awareness and appreciation for the nature of the hazards likely to be present.
